Message from Father Brooks: Our word "church" has its roots in the Greek word "ecclesia", which was used by the New Testament followers of Christ to mean "the gathering". Church is, basically, the community, things we do together. This is why our semi-annual meeting on Sunday is so important. It is our chance to come together as a community and discuss the various things that are going on at St. John's. We eat, talk, raise questions, and enjoy our fellowship. Please make a point of taking time to participate. Peace to all.
